TEETHING BABIES

need lime for the teeth. All children need lime for a healthy formation of the growing bones. Curvature of the spine, bow legs, and soft bones do not have enough lime. When children are thin they need material for making flesh.

Scott's Emulsion

contains lime, and also the very essence of rich blood and healthy flesh. It has a remarkable effect on babies and children, insuring a healthy growth. The problem is simple. Scott's Emulsion contains the actual elements of food in an easy form for digestion and assimilation. Try it.

Unsurpassed as a tonic for the ladies. Once tried by them they will agree with the remarks of our other lady friends and continue to patronize us. For the gentlemen it is a cooling and refreshing drink. All who have tried it stand by it. We only asked one trial and will then rest on our merits.

THE CHINESE MAIL
報日字華
(Wah Tze Yat Po).

THIS paper is now issued every day.
The subscription is fixed at five
Dollars per annum, delivered in Hong-
kong by **China Post Office Order**.
Including postage to other ports.

It is the first Chinese Newspaper ever
issued under purely native direction. The
chief support of the paper is of course
derived from the native community,
amongst whom it has been found the
quickest and most effective means necessary to
spread it as a business and legal posting.

The projectors, basing their estimates
upon the most reliable information from
the various Ports in China and Japan—
from Australia, California, India, Pen-
ang, Saigon, and others so frequently be-
lieved to be the chief sources of immigration
into the Colonies—consider themselves justified
in anticipating a large and ever-increasing
circulation. The advantages offered to ad-
vertisers are therefore unusually great, and
the foreign community generally will find
it to their interest to avail themselves
of them.

The field open to a paper of this descrip-
tion conducted by native efforts, both
progressive and anti-obstructive in tone,
is almost limitless. It is one of those
commands Chinese belief and interest
while on the other it deserves to be read
that can be given credence by foreigners.
Like English journals it contains Editorial
and Local, Shipping, and Commercial
News and Advertisements.

Subscription orders for the above may be
sent to **METROPOLITAN PRESS**.

The Overland China Mail,
IS PUBLISHED to suit the Department of each **ENGLISH** and **FOREIGN** Mail Steamer for Europe. It contains special Commercial Intelligence, special rates of Shipping, and other information. The various Reports of Consuls and Meetings of other views, are given in full as they appear in the Daily Express.

The **Overland China Mail**, by the convenience of its reports, has long been popular with residents who wish to send home weekly bulletins of the news of Hongkong and the Far East. Circulating as it does among the needy of the old China' has become popular and also among residents at all Treaty Ports and in the interior, it offers special advantages to advertisers.

The **Overland China Mail** is a regular publication of the **China Mail Office** to send agents, or their addresses being forwarded to the Office.
